

ERLA is proud to be part of the project teams that attained site plan approvals for **4** significant projects in Westport, Stamford, and Greenwich:

National Hall, Westport

landmark historic property along Saugatuck River in downtown Westport

National Hall Parking Garage Expansion, Westport

addition of 3rd level to existing structure to better serve Town of Westport

Franklin Street, Stamford

significant infill project in downtown Stamford

Greenwich Hospital, Greenwich

property enhancement to optimize the use for both the hospital and the town
