

ERLA is proud to be part of the teams that designed 3 landmark properties located in the hearts of Greenwich, Norwalk and Westport communities:

**Restoration Hardware:** conversion of the Greenwich Avenue Post Office built in 1917, a nationally registered historic landmark - opening May 2014.

**Ironworks:** in the heart of SoNo, on the Norwalk River, a new mixed use - project with apartments, offices and restaurants right on North Water and Washington Street opening Spring 2014.

**National Hall:** the Spring sun is shining brightly on this nationally registered historic landmark property on the Saugatuck River in Westport.
